## CR8500 SERIES ACCESSORIES

### CR8503

The CR8500 Series Lectern features a large platform top which is height adjustable to accommodate most presenters.

### FEATURES

- 40" to 51" height adjustable platform to accommodate all presenters.
- Wipe-clean lectern platform is crafted from 1" thick laminate in your choice of Grey Mist (-GM) or Wild Cherry (-CY).
- Platform rests at a 25° angle.
- Lower lip holds presentation materials in place.
- Adjustable, floor-saving glides keep lectern steady.
- Steel base finished in Black powder paint.
- Design and color matched to tables in the CR8500 and CR4500 Series.
- Work surface uses a substrate that is comprised of a minimal 40% and average 70% recycled materials and the base is constructed with "prime" steel which is constructed with 25%-35% post-consumer recycled steel.
- Complies with the GREENGUARD Environmental Institute's GREENGUARD Children & Schools Indoor Air Quality standards, contributing to points toward Leadership in Energy and Environmental Design (LEED) Certification.
- Proudly made in the U.S.A. using union labor.
