

FABRICS & FINISHES

FABRIC GRADE-IN PROGRAM

Please see page 12 of this guide, or visit www.Bretford.com.

STANDARD WOOD FINISHES

All of Bretford's standard veneers are carefully selected for uniformity of color and grain. Minor variations may occur due to the uniqueness of wood. Therefore, the furniture you receive may not be a perfect match to our samples. Please note: due to the nature of the wood species, veneers tend to darken over time.

NON-STANDARD WOOD FINISHES

BMI offers stain matching, which incurs a **net \$400** upcharge.

NON-STANDARD LAMINATES

Delivery on non-standard and special laminates will require an extended lead time. Post-forming with non-standard laminates requires prior approval due to the thickness of certain laminates. All special laminates will incur a **net \$200** upcharge.

For samples, contact **Bretford Customer Support** at **800.521.9614** or log on to www.Bretford.com.

STANDARD TERMS AND CONDITIONS OF SALE

SPECIFICATIONS AND TERMS

This price list supersedes all previous issues. Terms are 1% 10 days, net 30 days from date of invoice on approved credit. A service fee of 1.5% of the invoice balance due will be charged for all late payments. All prices quoted are Suggested List Prices and subject to change. Cash discounts do not apply on freight charges. Legal title to products passes at the time of shipment.

Bretford Manufacturing, Inc. (BMI) reserves the right to change prices, specifications, fabrics, dimensions, finishes, and products at any time without notice. This right also applies to adding or discontinuing products and changing catalog content at any time.

ORDER ACKNOWLEDGMENT

Orders are accepted, manufactured, and invoiced in accordance with BMI acknowledgment and terms and conditions from the BMI invoice. Acknowledged orders may not be changed or cancelled without written consent from BMI. It is the Buyer's responsibility to notify BMI of any acknowledgment discrepancies within 2 days from acknowledgment date. BMI will attempt to clarify all orders. However, in the event the model number and description differ, the model number will be the determining factor.

All orders will be filled as shown on the Order Acknowledgment.

CHANGE ORDERS

BMI will make every attempt to handle any reasonable change request provided the change request is submitted to BMI in writing and is received prior to the start of production. In the event a change order is received, BMI reserves the right to increase prices in accordance with the costs involved in the change requested.

CANCELLATION POLICY

Orders may be cancelled only with written consent from BMI. If an order is approved for cancellation, it will be subject to an order cancellation fee of 25% or more of the order. Non-standard items, special finishes, or special materials cannot be cancelled after acknowledgment and acceptance. In addition, orders in production are not subject to cancellation.

FREIGHT POLICY AND DELIVERY

All shipments are F.O.B. Factory - Franklin Park, IL, unless otherwise stated. All shipments are "dock deliveries". An order requesting "nondock" or "inside delivery" must be specified on the Purchase Order. There is an additional charge for this service. Any accessorial shipping charges will be the customer's responsibility. If customer requests special delivery requirements, the customer will be charged accordingly. BMI reserves the right to choose carrier.

If expedited freight is requested, shipping charges will be the customer's responsibility.

All pick-up orders will be held for 48 hours after notification. After 48 hours, the order will be shipped prepaid and via the House carrier or UPS, whichever is the lowest cost to the customer.

BMI reserves the right to make partial shipments if need dictates, unless otherwise instructed by the customer not to do so.

BMI is not responsible for damage in shipment when product is shipped via third party or collect basis. When product is shipped on a prepaid basis, BMI's responsibility ends when the carrier issues receipt indicating the merchandise has been received in good condition. In the event of freight damage, note this on the freight bill and notify the carrier at once for inspection. Note that carriers require reports of damage within 15 days. Failure to report damage or loss is the consignee's responsibility.

All merchandise will ship upon completion of production. If the buyer is unable to accept delivery of product at the time of shipment, BMI reserves the right to transfer this merchandise to storage. All costs for storage will be at the customer's expense. Transfer to storage will be considered delivery for all purposes including invoicing and payment. Buyer will bear the risk of loss or damage during storage.

PRODUCT RETURNS

Products produced by BMI to customer specification will not be accepted for return if ordered incorrectly. BMI will issue Return Authorizations at its discretion for products or parts deemed defective. Merchandise received by BMI without a valid Return Authorization will not be accepted by our shipping department. A Return Authorization can be provided by calling Bretford's **Customer Support Team** at **800.521.9614**.

STATEMENTS OF ASSURANCE

GREENGUARD CERTIFICATION

Bretford has earned GREENGUARD Certification for many of its tables and accessories used in education facilities, healthcare, and commercial business. Through this designation and in partnership with facilities managers, designers, architects, and dealers, Bretford is helping to create healthier learning, meeting, and working environments, particularly for children. By specifying or installing Bretford's GREENGUARD Certified products, institutions are closer to achieving valuable LEED Certification, the nationally accepted benchmark towards the design, construction and operation of green buildings.

NEW TABLETOP OPTIONS

In an effort to make a larger impact on the overall health of our planet and to offer our customers the widest variety of furniture solutions, we are excited to offer several green options for many of our tables and library end panels. With an increased emphasis on indoor air quality, we have begun offering the option for some of our products to be manufactured with No Added Urea Formaldehyde (NAUF) and have sought the option of FSC certification to ensure the smallest carbon footprint possible. As a rapidly renewable material that is harder and lighter than most hardwoods, our bamboo option is as durable as it is environmentally friendly. Contact your Bretford Sales Representative to find out more about our NAUF, FSC, and bamboo options.

WARRANTY

Bretford warrants that all products it manufactures are—at date of shipment—free from defects in material or workmanship. Any product under normal use, regardless of the number of shifts during which the product is in use, fails to function within the time periods specified below, and found defective in material or workmanship by Bretford's inspection, will be repaired without charge to the buyer, or, at the elections of Bretford, a credit will be allowed up to the invoice purchase price of the product.

This warranty is inapplicable where, in the judgment of Bretford, the defect is attributable to abnormal wear, misapplication, abnormal use, misuse, modification or damage after shipment, including damage caused by the buyer's failure to properly maintain the item, or other similar cause.
