

## ALL APPROVED FABRICS

**Note#1:** Fabrics application tested for Office Systems do not require performance testing. Fabrics that have only been tested for Office Systems have the note "OPG/NOT REQUIRED" in the performance testing field. All fabrics for fixed seating are required to pass both application and performance testing.

**NOTE #2:** For complete COM yardage requirements, directionality information, warranty and ordering instructions, please refer to the current American Seating price list, or contact your American Seating Representative.

VICTOR INNOVATEX	CELSTIAL	PANELS ACCESS/Framework/S/EGWAY	OPG/NOT REQUIRED

## ALL APPROVED FABRICS

**Note#1:** Fabrics application tested for Office Systems do not require performance testing. Fabrics that have only been tested for Office Systems have the note "OPG/NOT REQUIRED" in the performance testing field. All fabrics for fixed seating are required to pass both application and performance testing.  
**NOTE #2:** For complete COM yardage requirements, directionality information, warranty and ordering instructions, please refer to the current American Seating price list, or contact your American Seating Representative.
