

Approved Acton Fabrics

NOTE #1: Fabrics application tested for Office Systems do not require performance testing. Fabrics that have only been tested for Office Systems have the note "OPG/NOT REQUIRED" in the performance testing field. All fabrics for fixed seating are required to pass both application and performance testing.

NOTE #2: For complete COM yardage requirements, directionality information, warranty and ordering instructions, please refer to the current American Seating price list, or contact your American Seating Representative.

Approved Acton Fabrics

NOTE #1: Fabrics application tested for Office Systems do not require performance testing. Fabrics that have only been tested for Office Systems have the note "OPG/NOT REQUIRED" in the performance testing field. All fabrics for fixed seating are required to pass both application and performance testing.

NOTE #2: For complete COM yardage requirements, directionality information, warranty and ordering instructions, please refer to the current American Seating price list, or contact your American Seating Representative.
