Essentials® Program

All fabrics in this collection are available for **Essentials**, American Seating's quick-ship program, denoted with an *E*.

Customer's Own Material (COM)

Customers may specify COM fabric for use on American Seating products. Samples of the COM line must be submitted to American Seating prior to order placement. Your American Seating sales representative or dealer can provide exact procedures for approval of a COM fabric.

Dye Lot Variance

American Seating employs specific quality control procedures in the acceptance of all fabric lines. Industry-wide color tolerances allow for slight dye lot variations among fabric runs.
