Customer's Own Material (COM)

Customers may specify COM fabric for use on American Seating products. Samples of the COM line must be submitted to American Seating prior to order placement. Your American Seating sales representative or dealer can provide exact procedures for approval of a COM fabric.

Dye Lot Variance

American Seating employs specific quality control procedures in the acceptance of all fabric lines. Industry-wide color tolerances allow for slight dye lot variations among fabric runs.

ESPALIER

Grade Level 3

100% Polyester

Type of Weave Jacquard
Weight 9.9 oz. per linear yard
Width 66"
Directional Yes
Flammability ASTM E-84 Class 1/A
California 117 Sec. E
(CS-191-53)
Light Fastness AATCC-16; 40 hours
Cleaning Code WS

WS - Clean with water-based cleaning agent, foam or pure, water-free solvents. Vacuuming or light brushing is recommended to prevent dust and soil build-up.

The printed colors on these pages are representative of our fabric offering. Actual material samples should be requested for final fabric selection.

Memo samples available at 1.877.227.9897.

CELESTIAL

Grade Level 3

100% Recycled Polyester

Type of Weave Jacquard
Weight 11.3 oz. per linear yard
Width 66"
