Product Offerings for
Educational Environments

lecture halls

Learning environments that fit anywhere

Our fixed lecture products are proven to be comfortable and economical solutions that are “engineered to fit” in a wide variety of learning environments. All products can be equipped with power and data solutions.

Focus® Swing-Away

American Seating’s collection of contemporary and traditional swing-away fixed lecture products enhance education environments with a variety of aesthetic choices and features like seats with 360° rotation, pneumatic height-adjustment and self-return, and tables that can turn tight radiuses.

Focus Fixed Tables

The fixed tables are your answer for A.D.A. solutions and classroom environments where loose seating is needed. Specify with our stack chairs or caster-base seating.

Valuable solutions

Created with attention to detail and varying seating requirements, American Seating's ergonomically designed chairs offer exceptional comfort while maintaining their appearance and function through the years.

Rally

Our newest player in the fixed seating market, provides a solid performance in three width modules sure to please all audiences.

Rally

Dimension®

Three different models of **Dimension** maximize seating capacity by offering a three-quarter fold seat and a back that articulates to 90° creating greater clearance than traditional seating.

Dimension 675

A.D.A. Dimension

Dimension is A.D.A. compliant, featuring an armrest that rotates rearward to provide ease of access and transfer.

A.D.A. Dimension

Beam-Mount Options

Acton®, **Dimension** and **Stellar®** beam-mounts create an orderly appearance in any classroom. The unique mounting option also allows for easy facility cleaning.

auditoriums and performing arts centers

Beauty is more than skin deep

American Seating has invested thousands of hours of research with customers to identify important criteria for our portfolio of education and performance venue seating.

Spirit® Tablet Arm

New technology and materials make **Spirit** cost-effective and easy to install. Available in a variety of finishes and with two sizes of tablet arms, **Spirit** is an economical and modern solution for auditoriums.

Spirit with Tablet Arm

Spirit SQ

The **Spirit** SQ adds a unique look combining the **Stellar** back with **Spirit** Seat.

Spirit SQ

Stellar® 220/224 Tablet Arm

Stellar's plastic square back, married with a variety of options, is a traditional and affordable alternative for auditoriums and performing art centers.

Stellar 220/224

Stellar 230

The 230 incorporates the rounded back of the **Spirit** for an additional aesthetic choice. Constructed with high durability plastic inner-outer back.

Stellar 230

Removable Chairs

Spirit and **Stellar** models are both available with "shoes and stretchers," an option that allows for a row of chairs to be removed quickly to provide more room when required.

Shoes and Stretchers

A.D.A. Chairs

Spirit and **Stellar** are designed to meet all the accessibility and compliance standards of the American with Disability Act (A.D.A.). All **Spirit** and **Stellar** A.D.A. chairs offer a hinged armrest to provide ease of access and transfer.

Stellar A.D.A.

auditoriums and performing arts centers

Seating for learning and entertainment

American Seating auditorium and performing arts center chairs are the essence of clean, contemporary styling – the ultimate in form and function.

Stellar® 286

The **286's** contoured wood back adds a touch of elegance to auditoriums and performing arts centers.

Stellar 286

Stellar 216

The square, wood back provides a rich warm look for more formal environments.

Stellar 216

Stellar 270

The slightly longer and narrower wood back of the **270** presents another aesthetic option and a more contemporary look.

Stellar 270

Spirit® Woodback

The **Spirit Woodback** model dresses up the cost-effective fixed seating solution with wood arm caps and wood end standards to finish.

Spirit Woodback

classroom seating and tables

A new method of creating flexible surroundings

The **Parley®** table collection, paired with stack chairs or caster-base chairs, are ideal solutions for classrooms, libraries, cafes, banquet halls or anywhere you need a clean and flexible look.

Acton® Stacker

A freestanding chair that provides convenient storage. Non-upholstered chairs can stack twenty-six high and upholstered chairs can stack eighteen high.

Acton Stacker

Acton Caster-Base and Stool

Perfect ergonomic seating solutions for the classroom, computer or science labs.

Acton Caster-Base

Acton Tablet Arm Models

Available with both a regular and a heavy-duty option, in standard and oversized tablet arms, these tablet arm models are ideal for note taking and laptop use.

Acton Tablet Arm

Parley Tables

Endless options allow for unique surroundings: a variety of shapes, table bases and modesty panels name just a few of the things that can be paired with this table collection.

stadium and arena

Style and comfort that enhances school spirit in stadiums and arenas

American Seating's stadium and arena chairs are designed to provide ultimate comfort while withstanding the rigors of loyal fans.

Stadium Seating

Styling and ergonomics set the standard for cost-effective stadium and arena seating solutions.

Club or Suite Stadium Seating

Combine a **Stellar**® or **Spirit**® seat with a stadium or ballpark back for an enhanced seating option at an economical price.

Rally

Our newest player in the arena seating market, provides a solid performance in three models sure to please all audiences, from education to sports and entertainment.

Dimension®

Dimension is an ergonomic chair which allows for more clearance space behind unoccupied seats, making it ideal for environments that desire greater seating capacity within limited space.

A.D.A Compliant Seating

American Seating offers three transfer-seating choices for improved accessibility. An American Seating representative can help identify which model suits your needs.

Luxury Sports Seating

Stellar and **Spirit** models feature top-of-the-line style and comfort for your stadium or arena. Outdoor models are constructed with marine grade vinyl and e-coated to maintain its appearance in the toughest weather.
