BEST
OF
YEAR AWARDS

ebonized walnut

Winner of *Interior Design Magazine's 2006 Best of Year Award*, the Z pedestal was an experiment on the ever changing mood and tastes of the burgeoning at-home-designer. The diagonal symmetry allows for various perspectives that create balance and versatility when viewed from any angle. Clean lines silhouetted from afar reveal subtle bevels and shapes up close.

32"H | 12"W | 12"D
