### General:

The modular showers shall be manufactured by FIAT Products Ltd. The units shall be thermoformed from continuous cast, cross linked acrylic sheet into a one-piece seamless unit with smooth rounded corners and reinforced in back with fibreglass and polyester resin which has been further treated with a flame retardant additive. All FIAT acrylic units meet or exceed flame and

smoke standards as outlined in the National Building Code of Canada. All grab bars meet or exceed ASTM standards. Modular showers shall be pre-drilled for drain fitting connection (supplied by others). Vertical flanges shall be pre-drilled to facilitate attaching to studs.

### Important:

Dimensions may vary plus or minus 1/4" (6 mm) and are subject to revision. Specifications are subject to change without notice. Unless otherwise specified, CSA approval has been obtained wherever required. All products must be installed in accordance with installation instructions provided. Failure to do so may invalidate warranty at manufacturer's discretion.

### Warranty:

Fiat Products Ltd. warrants to the purchaser of FIAT Bathware Products that each unit is free from defects in material and workmanship, under normal use for a period of 5 years on regular acrylic units, 3 years on steam suites, and one year on doors. Fully detailed warranty card and installation manual are supplied with each unit.

The Allura is the ultimate in a full sized bathing suite – all the features, all the options and a striking design which makes it truly unique.
