

Terms and conditions

The terms and conditions in this product guide supersede all previous terms and conditions. Prices, discounts, and product offerings are subject to change without notice. Standard lead time for most Light Corporation products is ship in two weeks (10 business days) from receipt of order.

Pricing & Terms: All prices are in US dollars. All prices are subject to change without notice. Prices are F.O.B. Destination to the forty eight (48) contiguous states of the United States, one destination per order. First order may be prepaid to meet lead time. Net 30 days, 1-1/2% interest per month will be added to past due accounts.

Warranty: Light Corporation offers a 12 year warranty on all task lights and ambient lights, excluding lamps and ballasts. Personal task lights are warranted for a period of 5 years, excluding lamps and ballast. The FT20 personal task light carries a one year warranty.

Products are warranted to be free from defects in material and workmanship, from the date of invoice, when used in standard conditions. During the warranty period, Light Corporation's obligation is limited to the repair and or replacement, at its option, of the products. This warranty does not apply to damage resulting from shipments, storage, alteration or misuse of the product. Light Corporation has no obligation for consequential or incidental damages. There are no implied warranties of merchantability or fitness for a particular purpose.

Agreements: All contract agreements are contingent upon accidents, acts of God and unavoidable delays which are not subject to our control. Acceptance of orders is subject to approval by the Light Corporation Sales and Marketing Department.

Order Acknowledgment: Light Corporation enters all complete orders within 24 hours after receipt. All buyers will receive acknowledgments within 24-48 hours after order entry. All acknowledgments should be reviewed for clerical and pricing errors, and the purchaser is responsible to advise Light Corporation of the corrections required. Incomplete orders will receive a written or verbal request for clarification, but are not processed until the correct information is received by the factory.

Returned Goods Authorization (RGA): Product returned to Light Corporation in Grand Haven, Michigan, must be accompanied by an RGA number, which is issued by the customer service department. Any product returned without such authorization will be returned to sender, unopened, and at the original buyers expense. Special order product will not be subject to receipt of an RGA.

Light Corporation has sole authority to issue a RGA. A request for return must be made within sixty days of the original shipment, buyer must advise the reason for the return request, the original invoice number and date, quantity and product number of the returned items. Contact the Customer Service Department to request the RGA. The RGA number must be clearly marked on the exterior of the returned cartons. Transportation charges will be the obligation of the buyer.

A restocking charge of 35% will be applied to returns which Light Corporation has not erred in shipping. Product must be in its original carton, unopened. Upon approval by the Quality Inspection Department, credit will be issued at prices in effect at the time of the original shipment, less any applicable restocking charges. Return request credit amounts will be determined by Light Corporation. Custom product and special paint finished product will receive no credit.

Transportation Damage Claims: Consignee is responsible for all freight claims. Light Corporation will be available to assist in such matters.

Back Charges: No back charges for labor or materials will be allowed unless presented within 20 days after delivery of shipment and approved by Light Corporation in writing, in advance.

Electrical Codes: Since local electrical codes vary, we suggest that you contact a licensed electrical contractor or engineer for proper application of electrical products. Responsibility for code compliance belongs to the local supplier, contractor, architect or design firm. Light Corporation, its representatives or agents are not responsible for specifying product to meet local codes.

Specification of Product: Light Corporation, its representative or agents are not responsible for specifying product to meet project or local code requirements. Specification and selection of product is the responsibility of the firm that places the purchase order with Light Corporation.

Samples: Contact your Light Corporation Representative for showroom sample policy.

Product Design: Light Corporation reserves the right to make product changes and improvements as required.
