

Night collection

Variety is the word to define the collection: fourteen different proposals, fourteen ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose serie, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

Astro

Astro bed, design Roberto Lazzeroni, 2005

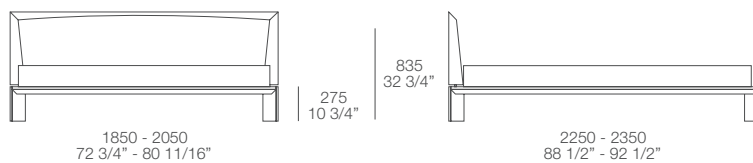

A star in the constellation of Poliform beds. Upholstered headboard of precise and essential design. Structure in wood, reduced to basic elements but with an aesthetic touch that only a great architect can give to its own products. A bed that holds its own among the most classic furniture, as well as the most modern, in an elegant and refined combination.

Technical characteristics and finishings:

Wenge and walnut c. Headboard with removable cover in fabric, eco-leather and leather.
