# Crush 100% Recycled Glass Tile

**CUSTOM COLORS  
AVAILABLE**

Fireclay Tile is excited to introduce Crush 100% Recycled Glass Tile—a handmade, American crafted glass tile created from 100% recycled and locally sourced glass.

Invented in Fairbanks, Alaska, and awarded an EPA Evergreen Award for Pollution Prevention, Crush is made in California and is available in 40 colors, in both gloss and matte, and 17 different sizes and shapes.

Manufactured using a unique process, Crush glass tile production uses significantly less energy than traditional glass tile manufacturing techniques.
