

GE Monogram Advantium® 240 Above-the-Cooktop Speedcooking Oven

Model# ZSA2201RSS

- Speedcook technology - Uses halogen light to cook foods to delicious perfection—up to eight times faster than a conventional oven—with no preheating required
- Four powerful ovens in one - Speedcook, true European convection, sensor microwave and warming/proofing—offer the ultimate in cooking speed and versatility
- Easy-to-use-controls - Make it easy to select from more than 175 preprogrammed recipes
- Spacious interior - 13.6" turntable and two full-width oven racks easily accommodates a roast or three 8-1/2" x 11" casserole dishes
- Four-speed, 300-CFM venting system - efficiently clears away smoke and steam from the cooktop
- Convenient task lighting - provides three levels of illumination to suit your needs
- Flexible above-the-cooktop configuration - makes the most of your kitchen space
