- Sophisticated Styling - The flush, frameless design offers a stunning look of sleek simplicity, and the surface is completely solid for a dramatic true color appearance
- Cooking Versatility - Elements vary from 6" to 12" in diameter and can be expanded to suit your cooking needs
- Expandable Elements - Triple-ring and bridge elements allow you to create larger heating zones to match your cooking needs
- Cooking performance - Responsive ribbon elements allow you to simmer and saute precisely according to recipe; an infinite range of heat settings leaves plenty of room for improvisation
