

# GE Monogram® Fully Integrated Dishwasher

Model# ZBD9900RII

- Integrated, panel-ready model is designed for use with a customer-supplied custom cabinet door and handles to blend in beautifully with surrounding cabinetry - even inset cabinets
- Super-efficient European wash system with ultrafine filtration, including a power zone for the cutlery rack, ensures every dish and utensil is thoroughly cleaned, while using minimal water and energy. CEE Tier II and ENERGY STAR® certified
- Quiet operation is made possible by advanced sound-absorbing materials and a smooth-running motor
- Drying system uses advanced sensor technology and a powerful fan to ensure dishes are dry, regardless of the load size
- Extra-large, stainless steel interior with height-adjustable upper rack provides the space and loading flexibility to accommodate up to 14 place settings
- Hidden, integrated electronic controls are easy to use and clean
- Optional stainless steel panel accessory, ZXSS9900, gives the dishwasher a sleek European look that coordinates with other Monogram appliances
