

# KALLISTA.

VIR STIL™ COLLECTION BY LAURA KIRAR

IN HER COLLECTION FOR KALLISTA, LAURA KIRAR MARRIES COMPELLING DESIGN DETAILS WITH BEAUTIFUL MODERN FORMS. LAURA JUXTAPOSES SEVERAL KEY DESIGN INFLUENCES, FROM DANISH MODERN TO BAUHAUS, ULTIMATELY CREATING SOMETHING THAT IS THOROUGHLY UNIQUE, THOROUGHLY BEAUTIFUL.

VIR STIL<sup>®</sup> COLLECTION BY LAURA KIRAR

DESIGNED FOR THE PERSON WHO APPRECIATES THE ACT OF DISCOVERY, THE INDIVIDUAL PIECES IN THE LAURA KIRAR COLLECTION WILL GRADUALLY AND SUBTLY REVEAL MORE OF THEMSELVES. SLOWLY ADAPTING AND DEFINING THE VERY ENVIRONMENT TO WHICH THEY WERE INTRODUCED, THEY BALANCE FORM WITH A QUIET, EFFICIENT AND SWEET FUNCTIONALITY.

THE IDEA WAS TO COMBINE  
DESIGN ELEMENTS,

FROM MULTIPLE INFLUENCES IN AN EFFORT

TO CREATE SOMETHING ALTOGETHER NEW.

FUNCTIONALITY DRIVES THE ARCHITECTURE  
OF THE VIR STIL™ VANITY. OBSERVE THE  
OFF-CENTER CONFIGURATION OF THE  
LAVATORY BASIN. THIS ORIENTATION  
ALLOWS FOR A GREATER EFFICIENCY TO  
THE LIMESTONE TOP AND HELPS BALANCE  
THE COMPOSITION OF THE VANITY.

---

FORM | FUNCTION

BALANCING THE STRICTNESS OF GEOMETRY WITH THE SUBTLETY OF GRACE, NOTICE HOW THE ASYMMETRICAL CONFIGURATION OF THE DRAWERS – THE LARGER CABINET TO THE LEFT AND THE THREE STACKED, SWIVEL DRAWERS TO THE RIGHT – IS SOFTENED BY THE DISTINCT PATTERN INHERENT IN THE AMERICAN BLACK WALNUT FINISH.

---

GEOMETRY | GRACE

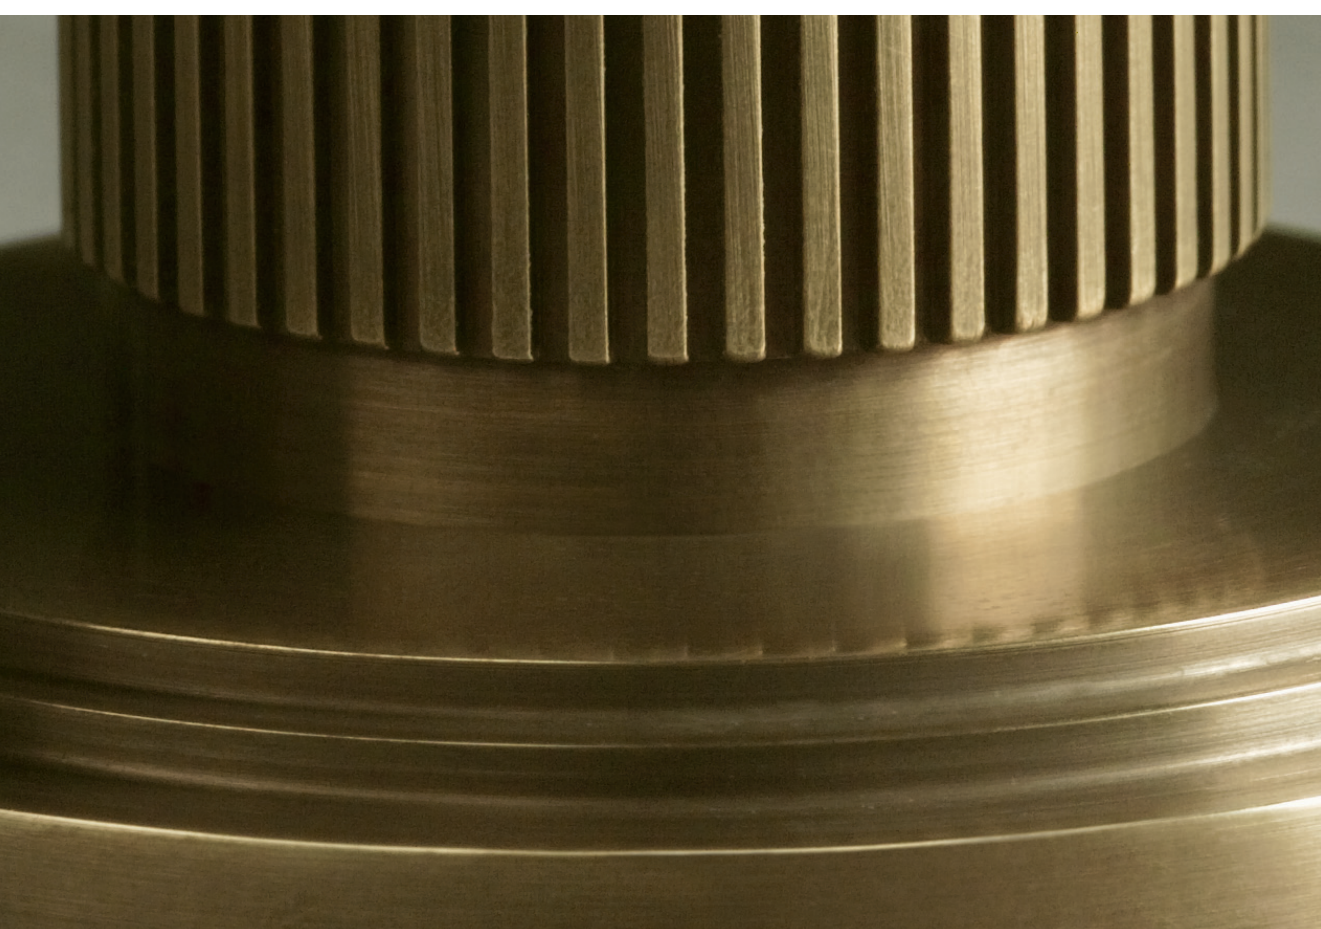

GIFTS CAN BE SUBTLE,  
LIKE THE WAY IN WHICH THE THREE STACKED DRAWERS  
OF THE VANITY SO SPLENDIDLY CURL OPEN.

EVOKING AGE AND A SENSE OF REALITY,  
METALS FEATURING LIVING FINISHES ARE  
ALLOWED TO BREATHE AND – OVER TIME –  
WILL GRACEFULLY PATINA. WITH USE, THE  
AESTHETIC COMPOSITION OF THE METAL  
FINISH WILL ACTUALLY CHANGE INTO  
SOMETHING MORE PERSONAL.

THE BATHING COMPONENTS OF THE VIR STIL™ COLLECTION COMBINE THE NOTION OF ELEGANCE WITH THE RITUALS OF CLEANSING. THIS IS NOT SIMPLY A BATHROOM; IT IS YOUR SANCTUARY – YOUR PLACE TO QUIETLY RENEW, REFLECT AND RELAX.

---

RENEW | REFLECT

THE VIR STIL™ COLLECTION FEATURES COORDINATING ACCESSORIES WITH THE SAME DESIGN LINES THAT DISTINGUISH THE FAUCET OFFERING. MORE THAN SHEER ADORNMENT, THESE ACCESSORIES INCREASE THE FUNCTIONALITY OF THE BATH AND POWDER ROOM AND FURTHER ARTICULATE THE AESTHETIC ACROSS THE ENTIRE PLATFORM.

---

SPATIAL | HARMONY

TAKING CUES FROM THE BAUHAUS SCHOOL OF ARCHITECTURE, THE VIR STIL™ LACQUERED VANITY EMPHASIZES FUNCTIONALITY AND AN ACUTE ATTENTION TO DETAIL. THE HAND-APPLIED, THREE-COAT WHITE LACQUER FINISH OFFERS A QUIET ELEGANCE. THE TOP, AVAILABLE IN GRIGIO LIMESTONE OR MARBLE, UNDERCOUNTER LAVATORY AND CAST BRASS LEGS ENHANCE BOTH THE SOPHISTICATION OF THE PIECE AND FURTHER EMPHASIZE A POST-INDUSTRIAL SENSIBILITY.

---

QUIET | ELEGANCE

THE VIR STIL™ CONSOLE LAVATORY EPITOMIZES MINIMALIST EXPRESSION OF FORM AND FUNCTION, ENHANCING THE FUNDAMENTAL AESTHETIC QUALITIES OF THE LINE. THE EFFICIENT DESIGN OF THE CONSOLE, WITH AN INTEGRATED TOWEL BAR, MAXIMIZES UTILITY WITHOUT COMPROMISING THE INTEGRITY OF THE DESIGN. THE CONSOLE LAVATORY IS AVAILABLE IN EITHER GRIGIO LIMESTONE OR CALACATTA MARBLE, WITH LEGS IN ANY OF THE FOUR STANDARD FINISHES: CHROME, POLISHED NICKEL, BRUSHED NICKEL, AND BRONZE.

---

EFFICIENT | AESTHETIC

A ROOM NEEDS TO BE BUILT  
ONE PIECE AT A TIME,  
EACH SHARING ITS CHARACTER WITH THE  
OTHERS TO FORM A WHOLE, LIVING SPACE.

THE VIR STIL™ KITCHEN FAUCET OFFERING  
EXTENDS THE FLUID, MODERN AESTHETIC  
OF THE LINE INTO THE KITCHEN FOR A  
FULLY COORDINATED LOOK THROUGHOUT  
THE HOME. OFFERING STATE-OF-THE-ART  
FUNCTIONALITY, THE THREE-FUNCTION,  
ERGONOMIC PULL-DOWN SPRAYHEAD  
FEATURES A REFINED PROFILE AND  
DELIVERS VERSATILITY AND EFFORTLESS  
OPERATION.

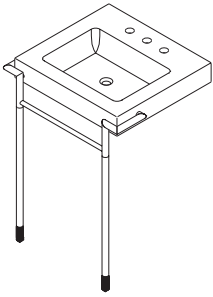

---

REFINED | ERGONOMICS
