

*Comfort and character come standard
in two accommodating styles.*

LOUNGE SEATING

DESIGN INSPIRATION

There's no place like home...but Flute™ and Loria™ lounge seating come pretty close. Here is a durable, oversized lounge solution that creates a “family room” feeling in any healthcare waiting area or lounge. With its broad shoulders and wing-back style, the classic details of Flute offer a warm and inviting style that welcomes the visitor to lean back and relax. With Loria, clean lines bring a more contemporary flare, but all the same great comfort. Both series offer an armchair and matching ottoman.

FLUTE

FEATURES AND BENEFITS

STRENGTH Base of chair and ottoman is solid maple wood. With no-sag seat and Italian webbing back suspension.

POLISHED Solid maple wood leg accents on chair and ottoman.

CHOICES Contrasting fabrics can be specified on the seat and back. Back fabric will match that used on the arms and side panels.

CLEANABLE Moisture barrier is available as an option on the seat.

STATEMENT OF LINE

Refer to Nurture specification guide for complete product details.
