SYSTEM INFORMATION

Serie 80000

Cupboard programme based on the DIN 18000 Euro design grid.

Construction: The body is either glued together or capable of being knocked-down and can be combined with other cupboards to form walls.

Body is of melamine-resin laminated LIGNOpal chipboard with glued-on (KU) plastic or (BU) beech edges. Some bodies have glued structural shelves and partitions (in the middle or displaced) to divide the body vertically and horizontally. Rows of holes or a perforated aluminium section (25 mm spacing) for adjustable shelves. Body with concealed adjustable feet and optionally with a plinth of solid beech or steel and with removable back panel.

Fronts are either open (shelves) or fitted with wing, sliding or glass doors as well as tambours or drawers.

Cylinder locks either keyed alike.

Bow handles of steel, wood or plastic as well as flush handles of plastic and knobs of steel.

Features: Optional panels, top covers, end and/or plinth panels as well as wall and ceiling closers.

Internal fittings: Adjustable shelves or wardrobes. Suspension files, drawers, "English drawers" and many others storage and filing accessories for special cupboards.

Following materials are available: Front LIGNOpal = L1,4,6,F1; Carcass/bases LIGNOpal = L1,4,6; Cover plate LIGNOpal = L1,4,6.

Construction: The body is either glued together or capable of being knocked-down and can be combined with other cupboards to form walls.

Body is of melamine-resin laminated LIGNOpal chipboard with glued-on (KU) plastic or (BU) beech edges. Some cupboards have glued structural shelves and middle partitions as well as rows of holes or a perforated aluminium section. Body with concealed adjustable feet and optionally with a plinth of solid beech or steel and with removable back panel.

Fronts each of big lockers (2 OH) with name and number plates as well as pigeon holes (in the middle).

Optionally with **cylinder** or **turning knob locks**.

Internal fittings: Adjustable shelves.

Following materials are available: Front LIGNOpal = L1,4,6,F1; Carcass/bases LIGNOpal = L1,4,6.

	Rows of holes: 25 mm.
