

Mid Back (2490) Model – with contrast piping detail, infinite adjustable headrest and silver upgrades. Shown in Provost Cinnamon and Provost Butter Premium Leathers.

Infinite Adjustable Headrest

Available on Mid Back chairs. Simple custom positioning. Pressure-free comfort cushion made with LifeFoam™ memory foam.

Neck Roll Pillow

Available on High Back chairs. Removable. Custom matched to chair upholstery.

Customized Upholstery

Lifeform offers a wide range of upholstery options, such as premium and standard leathers, vinyls, and fabric, and even customer-supplied material.

Contrast Piping

Add detail and sophistication.

Two-tone Upholstery

Select solid or embossed leather.

Customized Upholstered Arm Pads and Arm Sleeves

Matching fabric, leather or vinyl upholstery to complete the custom finish on your chair.

Deep Contour Seat

A wider, deeper seat option for those who prefer additional seat room. Temperature and pressure-sensitive memory foam for the ultimate in seating comfort.

Coccyx Cutout

Rear section of foam on seat is removable to relieve pressure from tailbone. Upholstered to match chair.

Ultimate Wood Upgrade

Cherry finish wood base, arm pad trim and matching upholstered arm sleeves add a warm and luxurious custom look.

Silver Upgrade

Silver paint components with polished aluminum base, chrome plated casters and matching upholstered arm sleeves for a sleek modern look.

Casters

A wide variety of casters are available to suit your taste, application, and flooring type. Select from hard wheel, soft wheel, designer, all-chrome, chrome-hooded, locking and stationary glides.

Ultimate Executive Chair *Upgrade Options*

High Back (2390) Model – with deep contour seat, neck roll pillow, two-tone upholstery and Ultimate Wood upgrades. Shown in Harness Chocolate and Embossed Venetian Triumph Premium Leathers.
