Pieces per carton: 20

Grout joint recommendation: 3/16"

Shade Variation: (Medium)

### Application Floor/Wall

	Residential	Light Commercial	Commercial
Floors	X	X	X
Walls	X	X	X
Counters	X	X	X
Backsplashes	X	X	X

Suitable for exterior floors and walls in freezing and non-freezing climates when proper installation methods are followed.

Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the tile surface.

### Floor Test Results

La Costa	ASTM#	Result
Water Absorption	C373	<0.5%
Breaking Strength (Floor)	C648	>325 lbs.
Scratch Hardness (Floor)	MOH's	6
Chemical Resistance (Floor)	C650	Resistant
Coefficient of Friction (Floor)	C1028	Wet: ≥0.60 Dry: ≥0.80

Standing water and other contaminants create slippery conditions for any hard surface floor material. To avoid injuries, floor applications with exposure to these conditions require extra caution in product selection. Complies with ADA recommendations for accessible routes. Not for use on ramps. Manufactured in accordance with ANSI 137.1 standards

**Maintenance:** Routine maintenance will keep your tile looking new for years to come. Under normal situations, the tile can be cleaned using clear water with a neutral tile cleaner. Always follow-up with a rinse of clear water. No waxes or sealers are recommended for this product.

**La Costa™  
Porcelain  
Floor and Wall Tile**

La Costa is a perfect recreation of timeworn natural stone. Even its edges are scalloped to recreate the rough-hewn appearance of aged stone. The rustic look of La Costa is further enhanced by a natural color palette that complements both contemporary and traditional décors. The distinctive accents and decorative trim of La Costa add a touch of refinement to kitchens, baths and other living areas. And because it's made of porcelain, La Costa's many modular sizes can be also be used in outdoor applications like patios.
