eastward arm bench

EAB · 34"H x 63"W x 22"D

Sculpted planes and exposed joinery provide a subtle foil for the spare lines of this reinterpreted deacon's bench. As with our Eastward Chairs, the bench is now offered in a version with armrests. The back crest and flexible ash spindles arch backward at the perfect angle for comfort. Curved knee braces firmly support the legs while keeping the design uncluttered. A striking piece in any setting, this bench pairs nicely with a number of our dining tables.
