edo dining chair

AC-TKC · 36" H x 20" W x 23" D

The gently carved crest echoes the illusory lines of the seat and apron, and reverse-tapered legs are cut with three facets to accentuate the play of light. The overall effect is a solid and versatile chair that outlines space with minimal visual effect, an exercise in optical refinement. The wide solid cherry back splat is canted, shaped, and polished to highlight its unique growth-ring pattern, emblematic of the passage of time and the trees from which this harmonious furniture is crafted.
