

tivoli

tivoli three place sofa SWP-3 \cdot 37 "H \times 76 "W \times 36 "D

Tivoli Lounge Seating is available as a club chair, love seat or three-place sofa with matching ottoman. The seat cushions are 4" thick, each housing individual coils encased in a polyurethane box, which is then wrapped in fiber, feathers and down and sheathed in a hypo allergenic fabric. Baffles are sown directly into the cushion preventing migration of the feathers and down, which negates the need for fluffing and plumping.
