

DM-2PS · 34"H x 54"W x 34"D

The Wing Settee and its companions, the Wing Chair and Sofa, bring fresh relevance to an old form. Alone or en suite, the sculptural perfection of each piece pays tribute to how artistic seating can be. Carved, solid cherry armrests gently fold at just the right height and are polished smooth to the touch. Four-inch-thick cushions can be covered in the fabric or leather of your choice.
