**HANGING INSTRUCTIONS:**

**Special Instructions: Reverse Strips  
Non-Match**

**Follow hanging instructions provided in roll shipment.**

General installation instructions and warranty information can be found by consulting the SPECIFICATIONS insert found in the front of every Vicrtex AIA catalog or "Architect's Specifications for Vinyl Wallcovering" technical sheet available from your distributor or RJF International Corp. in Fairlawn, OH..

Do follow roll number order. Use panels / strips IN EXACT ORDER as they are cut from roll. Always fill in over doors and windows as you come to them with panels cut in consecutive order from roll.

**After three panels have been installed and evaluated, it may be necessary to additionally trim one or both selvage edges to obtain conformity across seams.**

**If there is any question of color or pattern matching, promptly consult your local Vicrtex representative.**

Use Koroseal A-848-B adhesive as furnished by RJF International Corp..

LAVIELLA is available in 25 colors.  
Custom colors and weights of 12oz., 15oz. and 18oz. can be ordered.  
Tedlar can be applied for added surface protection.
