

It's *Easy* Being **Green!**

PRISM®
Solid Surface

Support sustainable practices by selecting Prism® Solid Surface.

Prism is an environmentally friendly solid surface material that:

- ▶ Meets GREENGUARD standards for low-emitting materials
- ▶ Is renewable and can easily be repaired
- ▶ Offers low maintenance and is easy to clean
- ▶ Lasts a long time by resisting chips, cracks and stains

INPRO 
IPC *Interior Protection Products
and Decorative Surfaces*

When you select Prism, you will receive a sustainable product

GREENGUARD

Tested: APPROVED!

Prism solid surface materials passed the Air Quality Sciences, Inc. (AQS) Greenguard certification, qualifying as:

- ▶ “low emitting ... meeting all of the emission level requirements of the Greenguard Product Guide”
- ▶ Results satisfy the chemical emissions requirements of California Section 1350

When you select Prism, you can be sure that it:

- ▶ Meets the most rigorous standards and criteria of chemical emissions as prescribed by the GREENGUARD Environmental Institute
- ▶ Has been tested and meets GREENGUARD Environmental Institute's and the state of California's requirements for low emitting products as tested by Air Quality Sciences
- ▶ Has been tested and meets the GREENGUARD Children & School chemical emissions levels

LEED® Credits

The U.S. Green Building Council developed the LEED® Green Building Rating System as a voluntary national standard for designing high-performance, sustainable buildings.

Prism offers the following qualifying LEED-NC credits in the *Materials & Resources* (MR) and *Environmental Quality* (EQ) categories:

- ▶ MR 1.3 – Building Reuse
- ▶ MR 3.1 & 3.2 – Materials Reuse
- ▶ MR 5.1 & 5.2 – Regional Materials
- ▶ EQ 4.1 – Low Emitting Materials: Adhesives & Sealants

NOTE: Prism's color-matched hard seaming adhesive is GREENGUARD certified.

Call your InPro Corporation sales representative to learn more about the green benefits of Prism Solid Surface.

GREENGUARD test data available upon request.

Printed with soy ink on recycled fiber including 100% post-consumer fiber
