# CRAFTED BEAUTY

---

**Bob**

coalesse

## BUSINESS-LIKE WITH A WARM EMBRACE

Everyone loves Bob. It is well-crafted beauty that's comfortable and convivial. Bob enjoys careful detailing and is equally suited to home or office. Business-like yet embracing.

*Beauty - in projection and perceiving -  
is 99.9% attitude.*

*\_Grey Livingston*

As the lines between work and life blurs, the Bob collection bridges the gap. It can easily transition from the boardroom to the family room.

AT HOME OR  
IN THE OFFICE

---

Bob is designed for the modern home or professional space. Available in a wide selection of fabrics and leather options, Bob's elegant, yet contemporary flair will complement almost any decor.

# DETAILS

The Bob collection offers a simple statement of line: a swivel lounge chair with the option of a headrest and an ottoman. The natural companion to the

Bob lounge is the occasional and cafe height tables; they enjoy the same four-star, matte polished, die-cast aluminum base as the lounge.
