—

CG_1

*Three Rules of Work; Out of clutter find
simplicity; From discord find harmony;
In the middle of difficulty lies opportunity.*
— Albert Einstein

In the exquisite CG_1 table collection, designer Cory Grosser has created a quintessential statement of elegant simplicity that fits almost anywhere.

SLEEK COMPANION

Sophistication is often best expressed in finely crafted simplicity. The CG_1 occasional table is perfectly proportioned and immensely versatile. It fits sleekly into any live/work social setting.

CG_1 can be dressed up or down. Its calming dimensions, gentle curves, and strong but open appeal, make it universally companionable in progressive office environments.

Things are distinct not in their essence but in their appearance; in other words, in their relation to one to whom they appear. This is art, the truth of which is not in substance or logic, but in expression.

— Rabindranath Tagore

PLATFORM OF EXPRESSION

For designers, CG_1 is an open palette. Its simple surfaces can be transformed with a wide choice of materials into everything from a clean monolith to a two-toned statement of contrast.

Tables are seldom so expressive. Whatever your application, CG_1 can be selected in both painted aluminum or wood frames. Your choices abound. Wood and Glass. Aluminum and Wood. Wood, Glass, and solid surface.

The CG_1 signature: alluring legs. CG_1 has translated normally ignored surfaces – the inner leg and foot – into a seductive declaration. Add a third material or color highlight to extend a motif. Few tables of such simple grace offer so many possibilities of interpretation.

DETAILS

CG_1 is available in square and rectangle tops with wood or painted aluminum frames. Two heights are available: occasional and side. Aluminum tables are available in tops up to 60". Tops are

available in veneer, glass, solid surface, and laminate. Leg insert/foot detail is available in wood (metal tables only) and solid surface.
