

PolyVision warrants that the *e<sup>3</sup> environmental ceramicsteel™* writing surface in all visual display products sold by PolyVision will retain its writing and erasing qualities and maintain its gloss variance and color consistency for the life of the building or for as long as the product is in use, whichever comes first.

Should any failure to conform to this warranty become apparent, then, upon written notice from the Customer, PolyVision, at its option, will correct such non-conformity by repair or replacement. Correction in the manner provided above shall constitute a fulfillment of all liabilities of PolyVision with respect to the quality of the *e<sup>3</sup> environmental ceramicsteel* writing surface. The warranty is only applicable under normal usage and maintenance and does not cover defects caused by improper handling, vandalism or abuse, or arising from the failure to follow PolyVision's instructions and recommendations for maintenance.

The warranty is voided if any modifications are made to the Products by the Customer or other trades with or without our written consent or prior knowledge. The warranty does not include the cost of removal or reinstallation. This warranty is effective as of June 4, 2009, and supersedes the terms and conditions of all prior surface warranties issued to the Customer by PolyVision.
