JAVA

- created with the purpose of making the lighting fixture elegantly blend into the ceiling with its low profile frame, Java is a complete range of recessed luminaires for AR111/12V halogen, MR16/12V halogen, PAR30/120V halogen, or MHR111 metal halide lamps
- the recessed enclosure is made of extruded aluminum with a low profile frame in aluminum grey lacquered finish
- 2 types: square or rectangular shape
- 5 models are available: Java square with 1 or 4 lamps and Java rectangular with 2, 3, or 4 lamps
- each spotlight may be adjusted individually with a tilt ranging from -20° to +70° and rotation of up to 350°
- recommended wall wash installation: to be set back 3 feet from the wall surface to be illuminated
- equipped with thermally protected, UL listed, electronic ballast/transformer
