

COMO

COMO's classic globe shaped luminaire is accentuated by a unique inverted tapered pole. Housing is precision-machined from billet aluminum, then satin anodized. The translucent matte acrylic globe provides subtle, diffused illumination. Inverted tapered steel pole with flush handhole is hot-dip galvanized prior to being finished in finely textured paint. Pole is secured to ground mounting assembly with stainless steel socket head cap screws. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available

Wet Location

Model	Pole	Lamp
CM260	7.5'IT	100 MH / 2/18 CF
CM350	10.4'IT	100 MH / 2/18 CF
