

NOVARA 4500 Q

Cast aluminum and stainless steel create a synthesis of form and function in the NOVARA. Heavily finned housing and doorframe are cast aluminum. Mounting knobs are constructed of polished highgrade stainless steel. Single or twin configurations are fitted with clear tempered glass lens. Electrical conductor is housed in attractive braided stainless steel line. Straight round steel pole with flush handhole and mounting bracket are hot-dip galvanized prior to being finished in finely textured paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available.

Wet Location

Model	Pole / Style	Lamp
NV450Q-P	12' / 15' RS	150 MH / 70 MH / 300 Hal
