

NOVARA 4500 Q

Cast aluminum and stainless steel create a synthesis of form and function in the Novara. Heavily finned housing and doorframe are cast aluminum. Mounting knobs are constructed of polished highgrade stainless steel. The adjustable head may be fitted with a clear or etched lens. Electrical conductor is housed in attractive braided stainless steel line. Steel wall bracket is hot-dip galvanized prior to being finished in finely textured paint. All hardware is stainless steel. Standard color; matte silver grey metallic. Special colors available.

Wet Location

Model	Mounting	Lamp
NV450Q-W	Wall	150 MH / 70 MH / 300 Hal
