

## VALENCIA

The VALENCIA bollard completes the product family by providing similar styling to the pole top luminaire. Top is heavy cast aluminum. Bollard shaft is heavy duty steel with flush handhole and hotdip galvanized prior to being finished in high quality paint. The cylindrical clear acrylic lens with white interal louver provides low brightness illumination. All hardware is stainless steel. Standard colors; matte silver grey metallic or black. Special colors available.

Wet Location

Model	Height	Lamp
VC1070	42.1"	70 MH / 70 HPS / 50 MH / 50 HPS / 26 CF
