

CORVUS

CORVUS' styled lines bring casual formality to outdoor environments. Slats for contoured seat and back are weather-resistant pressure impregnated European Ash. Wood weathers to silvery finish. Optional Kambala (Iroki) wood slats with golden brown color are available. Cast aluminum frame and extruded 6060 aluminum support elements are finished in finely textured paint. Contact factory for custom lengths. All hardware is stainless steel. Standard colors; matte silver grey metallic or graphite grey. Special colors available.

| Model | Style | Length |
