

## SANTARI

SANTARI'S simple form blends with many architectural styles. Slats for seat and optional back are weather-resistant pressure impregnated European Ash. Wood weathers to silvery finish. Optional Kambala (Iroki) wood slats with golden brown color are available. Tubular steel legs converge downward and are welded to the base flange. Legs and steel frame are hot-dip galvanized prior to being finished in finely textured paint. All hardware is stainless steel. Standard color; graphite grey. Special colors available.

Model	Style	Length
ST250L/B	Backless	98"
ST250	Backed	98"
