

PUNTO

4

**PUNTO**  
Litter Receptacle

Simple form of Punto blends unobtrusively into a broad range of architecture. Formed steel receptacle is available in top or side access models. Key-activated triangular locking mechanism

allows access to liner for servicing. Liner is available in galvanized steel or polyethylene. Receptacle and steel post are hot-dip galvanized prior to being finished in finely textured paint.

All hardware is stainless steel. Standard color; graphite grey. Special colors available. Contact factory for custom capacities. See technical sheet for details.

Model	Access	Capacity
PN500	Side	8.5 Gallons
PN500D	Top	8.5 Gallons
PN700	Side	11.8 Gallons
PN700D	Top	11.8 Gallons

Design: Karsten Winkels
