Corner

☐ LLW CNR

Construction

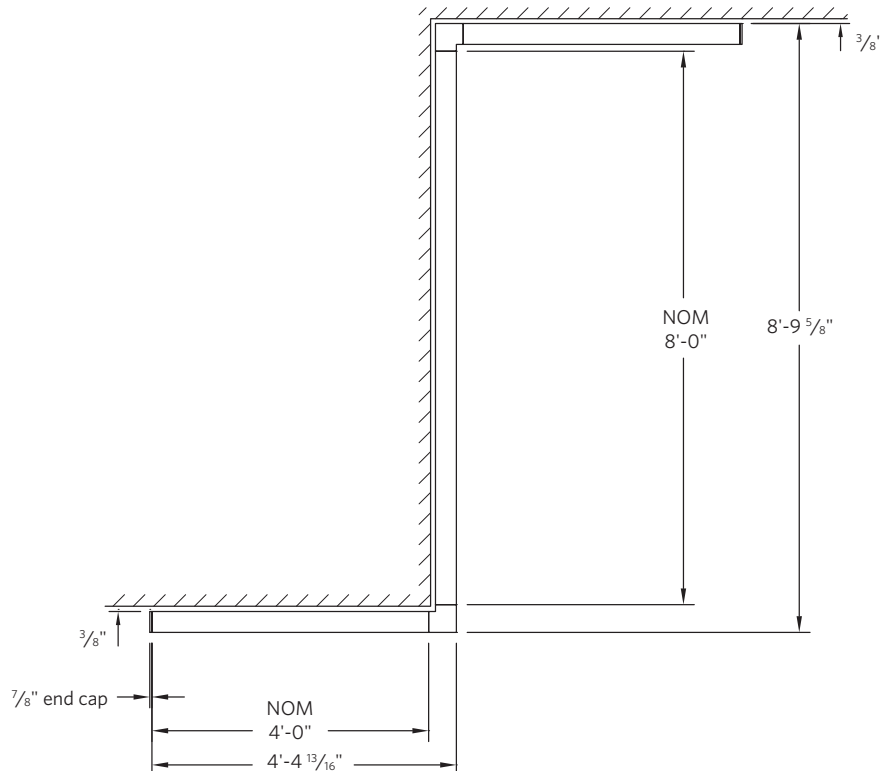

End cap is die cast aluminum. Joiner bracket is 14 gauge sheet metal. Corner and tenon are extruded aluminum.

Note:

Special configurations available. Consult factory.

When C100 satin anodized finish is selected for the luminaires, pattern connectors will always be painted C110 aluminum to match. To guarantee a color match between luminaires and pattern connectors, select C110 aluminum or C041 white for the luminaire finish.

CONFIGURATION ASSEMBLY (LLWA, LLWS, LLWW ONLY)

Notes:

For LLWL (Softshine Optics) see following page.
