Tables

## Z Series™ - Z2 Tilt

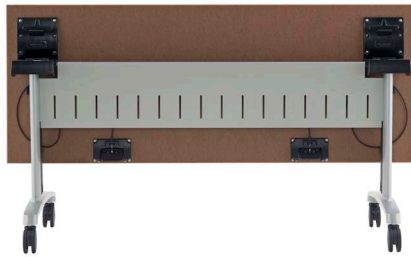

Select from a variety of table sizes and laminate and edgeband colors. Standard with glides.

Pierced metal modesty panel and optional casters makes Z2 Tilt attractive and mobile.

Easy tilt mechanism is a breeze and is accompanied with double-tilt release points for added safety.

Slim, efficient tilt feature works hard when you need it and out of the way when you don't.

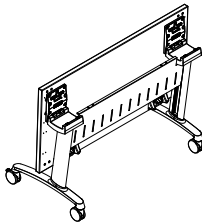

## FEATURES

Z Series Tilt table mechanism allows for simple nesting of tables for maximum space capacity. Top is constructed of 1¼" high-pressure laminate and backer with 3MM edgeband to provide durability and stability in tough use environments. Oval aluminum leg with cast aluminum foot is standard with glide.

## OPTIONS

Wire Management Kit: consisting of a single flip-top grommet in the 36, 42, 48, & 60" widths; 2 flip-top grommets in the 66 & 72" widths and a metal, lay-in cord tray that attaches to the modesty panel. Add \$50 for the 36" and 42"; \$55 for the 48" and 60"; \$95 for the 66" and 72". (place "W" after the model number)

3" Decorative Casters: 2 locking, 2 non-locking. +\$42 (place "C" after model number)
