

Cay™

ABCO 2.0

# Cay design & function in balance

Cay has everything desired in an ergonomic chair: streamlined style, continuous comfort and reliable value. Precision support features promote good posture. Striking details such as the ballistic-type nylon on the chair's back and tailored stitching contribute eye appeal. Designed and built for maximum durability, comfort and correct back support, Cay sits well throughout the organization.

**Mid Back**

|             |             |
|-------------|-------------|
| Width       | 26-28       |
