

RR 03

(Designer R.Rizzini)

An armchair and sofas.

Frame

The steel frame supports and surrounds a shell made from compact polyurethane. The cushions inside provide maximum comfort. The structure, made of steel (dia. 25mm), and the shell come with a standard lacquered finish in white, beige or anthracite.

The structure comes with a kit of 4 interchangeable feet, suitable for any kind of floors.

Seat **cushions**, backrest and armrests are down-filled in stitched sections with polyether insert.

Cover

The cover of the cushions, either in fabric or leather, is completely removable.

The underlining in cotton makes removing the cover easier and the product maintains its good looks even when uncovered.

Optional extra covers if required.

With customer's own leather, in order that the product is properly manufactured, the leather piece must be larger than 5 sqm and with no defects, such as scars or holes.

CUSHIONS

Loose cushions

In solid colour with down filling covered with cotton. This makes removing the cover easier and the cushions maintain their good looks even when uncovered.

Extra covers available.

Dims: 30x50 cm, 40x40 cm o 55x55 cm

Sets of cushions

Sets of decorative cushions for the sofa collection.

Upholstered with fabrics that, though different in weft and composition, maintain a pleasant uniformity in colour:

- fabric Quarzo white
- fabric Florite ochre
- fabric Galena sand
- fabric Pirite brown/grey

Each set is composed of 4 square cushions in down.

The dims are 45x45 or 55x55cm.
