SEBREE TRAINING TABLES™

Sebree Training Tables

For a higher level training experience. Modern design for persuasive style. Equipped with advanced features for progressive performance.

Sebree spans from the boardroom to intensive learning environments. It scales in looks and features to support meeting, training and presentations. A colossal design library of veneers, glass and solid wood edges offer an executive statement. Or choose HPL and high traffic edges for ideal training support. Features such as flip and nest, locking casters and full electrical and data give designers real solutions, beautifully.

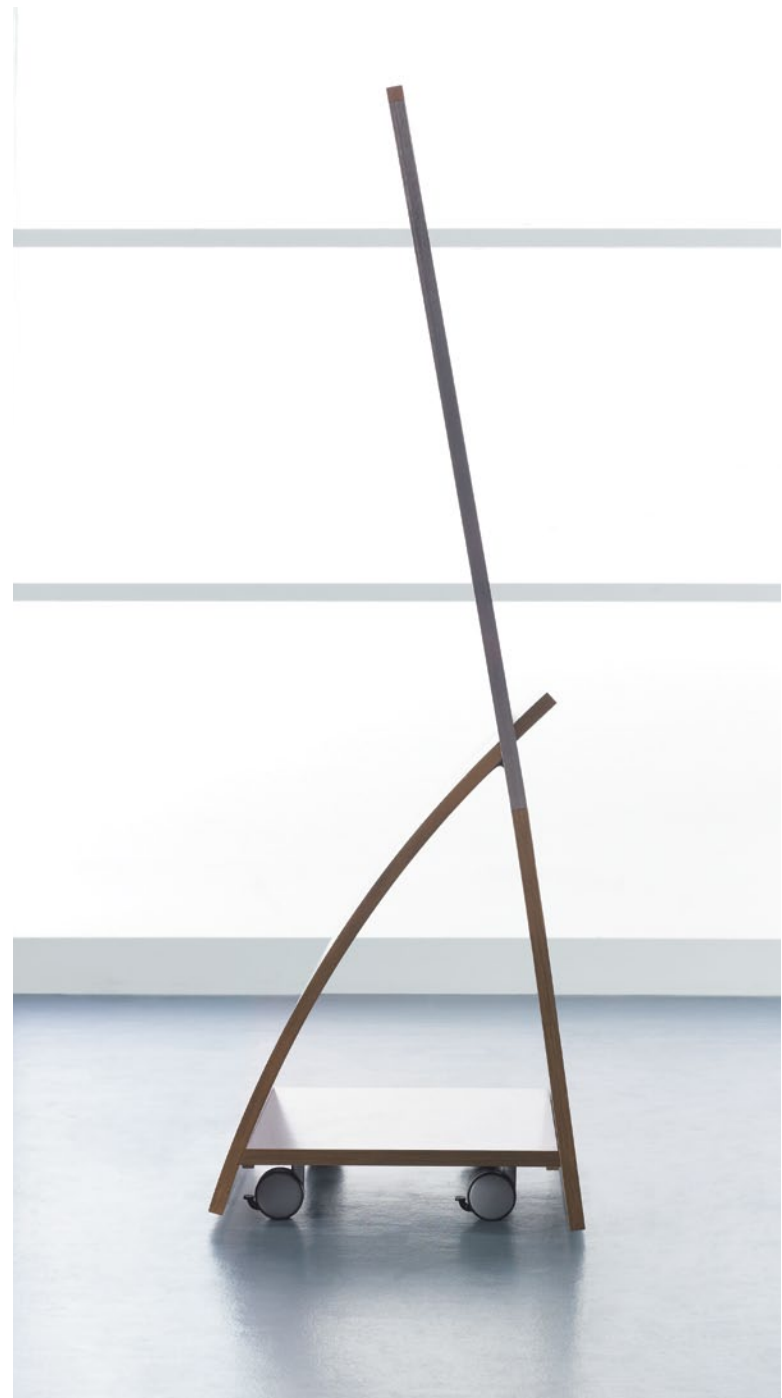

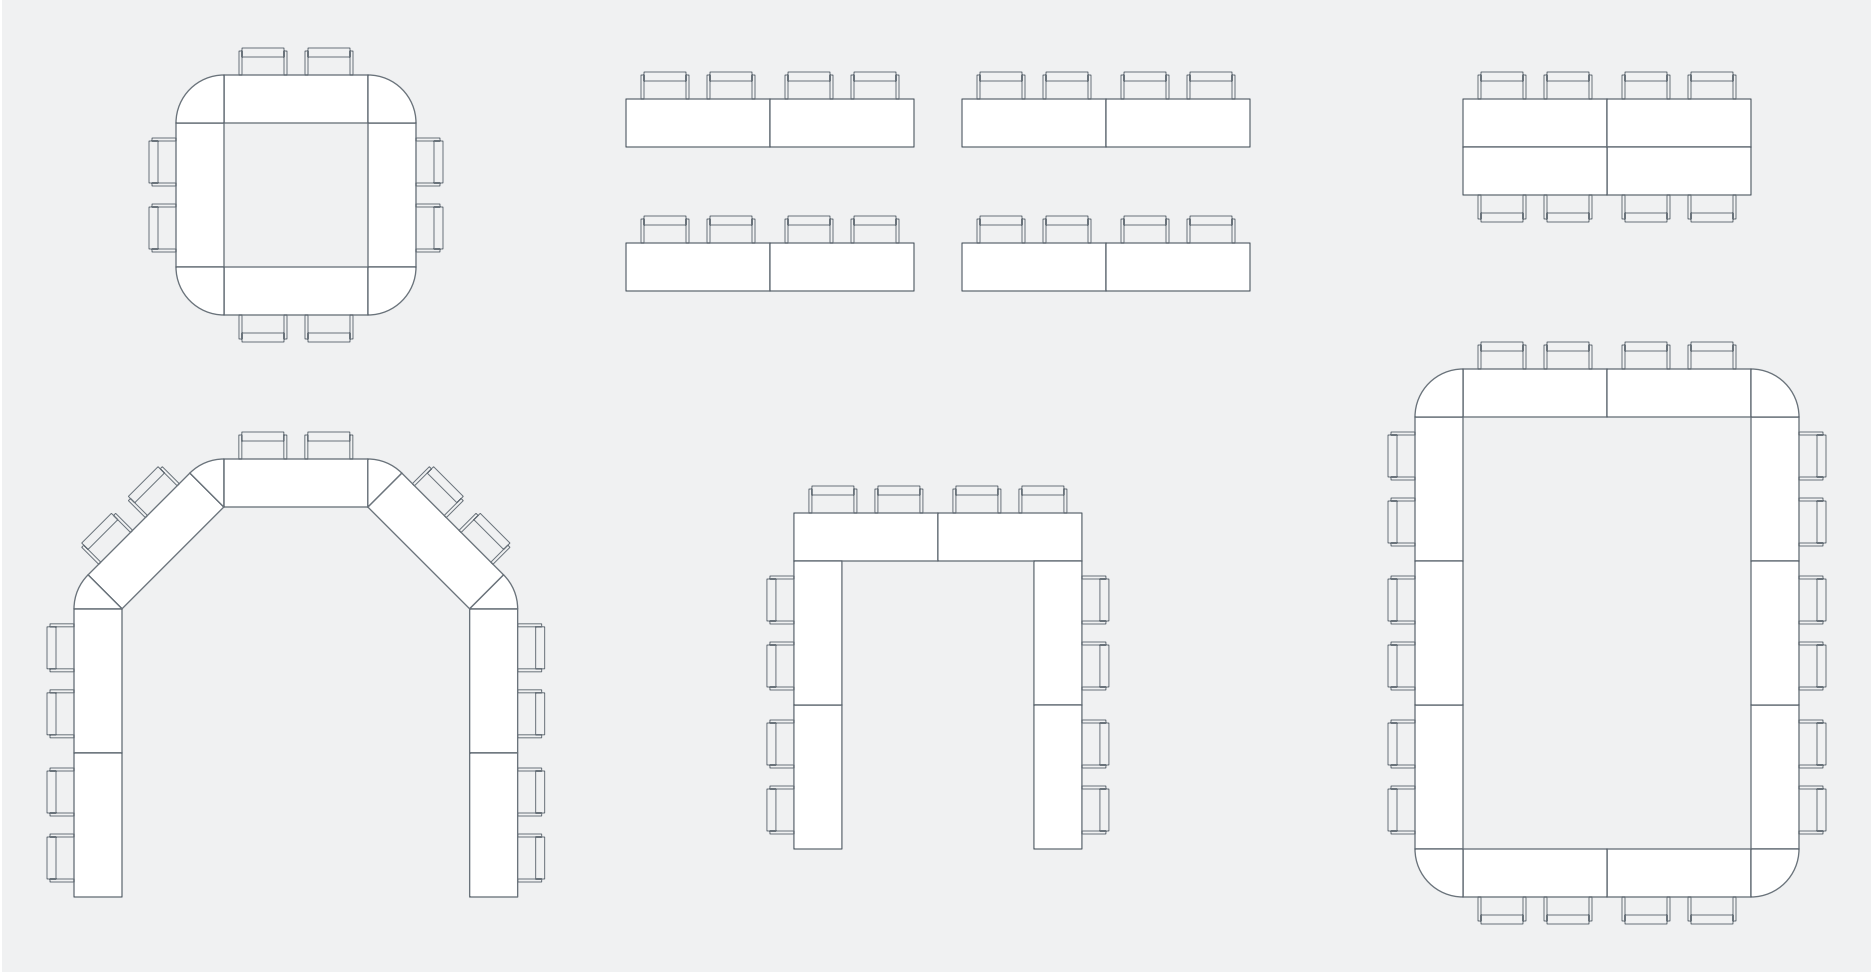

Shapes, Seating, Sizes & Sample Configurations

Legs Discreetly Channel Wires from Floor

Wires Travel Cleanly Between Tables in Metal Trough

Silver Power/Data Center

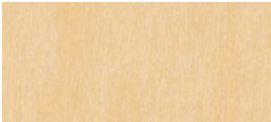

Black Power/Data Center

Legs channel data and electrical cables from floor to a wire management trough on underside of worksurface for a clean appearance. Cables easily daisy chain from table to table for efficient wire management.
