

FOLD

DESIGN ODOARDO FIORAVANTI/2011

A lamp that recalls a slightly arched piece of paper. Fold it. It is both a serviceable and decorative lamp in which light. When the lamp is lit, the soft fold of the polycarbonate diffuser stands out clearly in the backlight, becoming a characterising element. Pure and discrete in white, it is ready to be placed in a wide range of domestic and contract spaces, alone or in compositions.
