

BENDHEIM

SINCE 1927

Color Glass Marker Boards

Bendheim's new Glass Marker Boards combine exciting contemporary colors with exceptionally maintenance-friendly, durable glass surfaces. The glass is available in a standard palette of nine neutral and neon hues, including two elegant metallics, as well as in a virtually unlimited range of custom colors, created to specification.

Bendheim, the resource for specialty glass since 1927, offers more than 2,000 decorative architectural glass types in stock and unlimited custom design solutions.

“Polychromy = Joy” – Le Corbursier

New Color Glass Marker Boards:

Functional Benefits	Durable glass surfaces are effortless to use and maintain. Even permanent markers can be easily removed without any ghosting or permanent staining.
Aesthetic Benefits	A clearly superior alternative to traditional marker and bulletin boards, offering outstanding design possibilities through an unlimited custom color palette.
Green Benefits	VOC-free, isocyanate-free, durable, and recyclable glass product.
Safety Features	Standard annealed or tempered safety glass. Bendheim tempered glass meets the requirements for ANSI Z97.1 and the Consumer Product Safety Commission Standard 16 CFR 1201 Cat II.
Maximum Size	Up to 60" x 120" (Please inquire for larger sizes.)
Thickness	1/4" (Please inquire for greater thicknesses.)
Surface	High-gloss (fire-polished).
Colors	The standard collection of nine neutral and neon colors offers a taste of Bendheim's advanced custom color capabilities. Select from these contemporary hues or specify your own colors, including pearlescents and metallics. All colors have undergone vigorous testing to ensure long-term durability.
Recommended Accessories	Standard dry-erase markers and erasers.
Installation Options	J channel; glass edge grips; standoffs (with tempered marker boards); neutral cure silicones.
