Notes About Our Guide

This guide is for planning reference only.

Understandably, color, grain and texture of these sample representations will vary from the actual wood product and finish you ultimately specify.

Please call for wood samples as required for your project and we will get them right out to you.

Sustainable / LEED Materials

FSC and Bamboo veneers can be applied to any Nevers product as part of a sustainable building strategy.

Both FSC and Bamboo veneers can contribute to LEED Certification points as part of a comprehensive LEED Certification building strategy.

FSC Standard, Exotic and Bamboo veneers are subject to an up-charge. Please refer to the General Specifications section of individual price lists to determine the up-charge percentage.

Custom Veneers

Custom veneers are available. Contact Customer Support for further details.

Custom Stain Match

Nevers can match any stain.

A stain matching fee will be applied to orders up to \$5000 list. Contact Customer Support for pricing.
