F24A Wide Adjustable Storage Shelves

Recommended Use

These low, open shelves provide accessible storage space without obstructing windows and walls. Shelves are adjustable for versatility. The maple shelves fit onto plastic supports inside the shelf sides. The unit can be rolled easily on concealed 2" casters.

⚠ WARNING

▲ This product is intended for use by children of immature judgement and therefore supervision is required at all times.

⚠ CAUTION

▲ For indoor use only. These Wide Adjustable Storage Shelves are not waterproof.

Assembly

Equipment comes in a single carton. The carton contains:

1. The assembled shelving unit
2. One adjustable shelf
3. This Product Guide

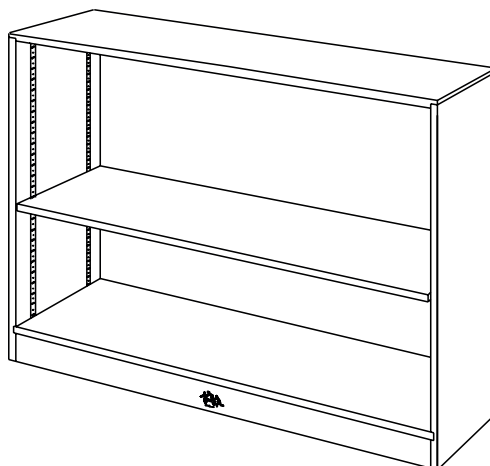

If your shipment is incomplete, please call your Customer Center.

Cleaning

Clean shelves with mild detergent and water. Too much water will harm the finish of the wood.

To adjust the shelf height:

1. Lift the shelf up evenly until it is clear of the plastic supports.

2. Pull the shelf towards you, completely out of the item.

3. Slide the shelf back in at the desired height, until the notches fit over the supports.

⚠ CAUTION

▲ Make sure the shelf is sitting securely on the supports.

Maintenance

Periodically inspect for cracks, breaks, and loose or missing parts. Remove the product from service when any condition develops that might make use unsafe.

Construction

The wooden components are manufactured from solid maple finished with a durable clear finish. All edges and corners are rounded for safety and ease of cleaning. Backs are nylon loop fabric, laminated to a durable plastic backing.

User Modifications

We cannot be responsible for modifications made by customers to our products in the field, without our supervision, testing or evaluation.

Recycling

The foam pads used in packaging this product are re-useable/recycleable. If you would like to help us preserve the environment, dispose of them appropriately or return them to Community Playthings, US Rt. 40, Farmington, PA 15437.
