

## *Pandora night*

design Jean-Marie Massaud, 2012

This sideboard collection designed by Jean-Marie Massaud allows an unlimited combinations of colours and shapes thanks to the different configurations of doors and drawers.

### **Night collection**

Variety is the word to define the collection: different proposals, various ideas for the night area; functionality, design and emotions are joined together in beds with a strong personality. To complete the choice there are "dedicated" containers, coherent in style, along with one multipurpose series, which can be freely combined. Conceived to really satisfy any resting requirements, this system includes also mattresses, pillow and complements.

### **Finishings:**

Containers series with structure in spessart oak, glossy lacquer 16 colours and mat lacquer 32 colours. Inner frame and drawer structure in quarzo mat lacquer. On request they are available also in the other 31 mat colours of the range. Base and feet are in bronze painted metal.
