AND REVITALIZES YOUR DAILY RITUALS

With this new installation option, you set the scene for revitalizing relaxation rituals inspired by your needs and feelings.

Your Insuperience Bathroom® becomes a symbolic haven where the bath is front and center, an invitation to take time for yourself and leave your cares behind.

^
The bath is partially sunk into the stage, making it **easier and safer to get in and out**. It also creates the impression that your room is bigger than it actually is!

THEATRE STAGE™

From the Italian, *Scenografo*, refers to the stage designer.

The Theatre Stage installation option invites you to set the scene for your relaxation rituals in the comfort of your Inspire Bathroom®.

PRACTICAL DESIGN

- The bath appears to emerge from the stage, creating an impression of roominess and spaciousness.
- With lower sides to step over, the Theatre Stage installation makes getting in and out safer and easier for seniors, people with reduced mobility, and small children.

INSPIRING LOOK

- Makes the Inspire Bathroom a symbolic haven that inspires your relaxation rituals.
- A new and innovative installation option exclusive to BainUltra®.
