

Technical Specifications

Model	Haiku® bamboo
Model number	S3150-X2-48
Fan diameter	60" (1524mm)
Motor and assembly finishes	Black or white
Airfoil material	Bamboo
Airfoil finishes	Caramel or cocoa
Number of airfoils	3
Motor type	EC motor with a digital inverter drive
Controller included	Yes, remote
Controller features	Fan on/off
	Sleep mode
	Off timer
	Whoosh® mode
	Reverse
	LED light on/off
Mount and drop tube	55.9" (1419mm)
Hanging weight	14.0 lb. (6.4kg) (fan only)
Number of fan speeds	7
Operating voltage	100–240 VAC, 1Φ
Operating frequency	50–60 Hz
RPM (min/max)	35/175 RPM
Amps (min/max)	0.05/0.363 A
Watts (min/max)	2/30 W (fan only)
Ambient operational temperature range	32–120°F (0–49°C)
Environment	UL listed for dry locations
Fan mode indicator	LED display (not visible with light kit)
Warranty*	Limited lifetime

* See Haiku warranty in installation guide for complete details

Optional Accessories

Haiku LED Lighting Module

Specifications

Operating voltage	12V (+/- 0.5V)
Operating current	1.6 Adc (100% PWM)
Maximum input power	20 W
Operating temperature	32–104°F (0–40°C)
Nominal lumen output	1500Lm
Dimming range	0-100%
Operating life expectancy	50,000 hrs
Included lenses	Smoky and clear
