

MODEL #04619

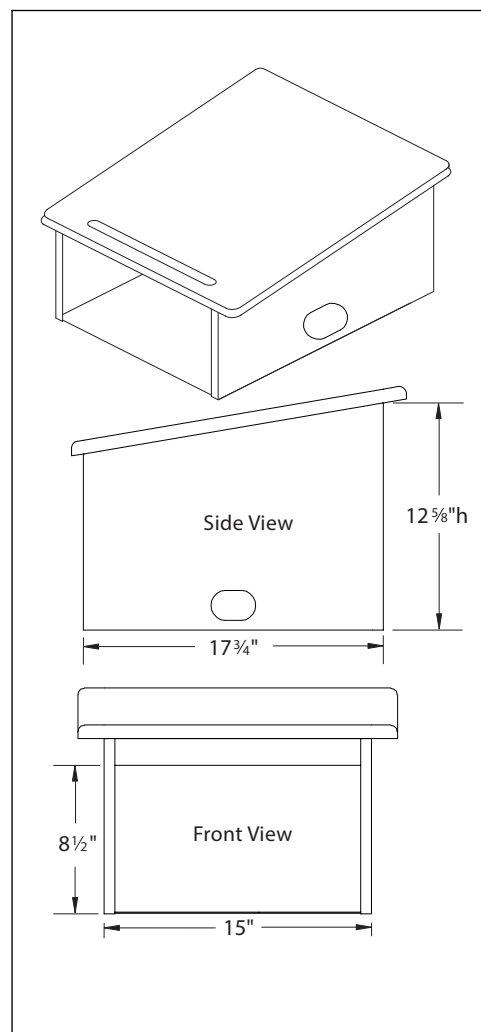

PRODUCT

DESIGN:

This convenient tabletop model can make a strong statement in classrooms, libraries, meeting rooms and more.

MATERIALS:

The ¾" thick work surface is a thermoformed laminate and has a retaining lip to aid items from falling off. The tabletop lectern is made out of durable metal, yet light weight for easy movement. With it weighing less than 20 pounds, it is easily mobile and can be transported with ease. The spacious storage area is constructed of 19-gauge steel that is 17¾"d x 15"w. The storage area also has 3 grommet holes for wire management.
